- Box lots are acceptable. Large or heavy items are a problem -- contact Cliff Nagle or Scott Fulmer before consigning large or heavy items. Contact Steve Zluky for special items.
- The commission rate is 20% for tools under \$40, 10% for tools from \$40 to \$499.99, and 5% for tools \$500 and over. We will consider a reserve price for items which the committee deems to have a value of at least \$500. A commission will be charged on items that do not reach the reserve.
 - ▶▶ If you wish to donate the entire realized price of an item to benefit CRAFTS, please indicate by writing the letter "D" in the second column.
